The AHSRA Board of Directors adopted the semester grading for the qualification of contestant with the State Secretary verifying the contestant is qualified to rodeo prior to their first rodeo, and if a contestant becomes ineligible due to grades after the 1st semester, that contestant may be reinstated providing after the next grading period (or interim report) he/she becomes academically eligible to rodeo. If a contestant is unable to get a printed copy of grades before a rodeo, that contestant is responsible and required to:

You will turn in your call in sheet at the first regular season rodeo or first rodeo after becoming a member. If any of your events change, you must call the Call-In Secretary on the call out/in date. There will be a late call out/in date. Late call outs/ins will be a charge of \$25 per rodeo and will be due at that rodeo with regular events fees.

7) **DRAW OUT/NO SHOW FINES:** Contestants must pay the \$25 draw out fine for no shows and draw outs before being allowed to compete at the next sanctioned rodeo. If a contestant at check-in tells the rodeo secretary that he or she will not be competing in an event, that contestant will not be permitted to be re-entered or compete in that event at that rodeo.

- a) Student Event Director
- b) Adult Event Director

before the end of performance or slack in which the “question arose” that the contestant is entered to make a protest.”

13) **SCHOLARSHIPS:** Senior contestants are encouraged to apply and interview for State Scholarships to be awarded at the State Finals Rodeo. A contestant does not have to turn down a State Scholarship to compete for a scholarship at the National Finals Rodeo. A contestant who wins a scholarship at the National Finals does not have to turn down a scholarship awarded at the State Finals. State Scholarship funds are available for one year from graduation and will be sent to a contestant upon receipt of the scholarship letter awarded to the contestant at the State Finals Rodeo along with proof of enrollment in a junior college, college, university, or trade school. Funds will be extended for one year upon written notice to State Secretary.

14) **RODEO ENTRY NUMBERS:** The sponsoring organization and region hosting a regional rodeo will determine the number of contestant entries to be accepted in each performance and will determine if slack is needed. Advertisement of slack in newsletters does not bind a region to offer slack. Sponsor and region will determine the time of the rodeo performance and slack. It is recommended that a minimum of 10 entries in a performance be taken before taking any slack entries. A call-in question is referred to the Call-In Secretary and is recommended that slack is held both days if possible.
